# Sittyton Grove Shorthorns

*One Hundred Head Imported and  
American Bred Cattle*

TO BE SOLD

JANUARY 16TH AND 17TH, 1917

In Amphitheater

Union Stock Yards, Chicago

## ANNOUNCEMENT

TO SHORTHORN ADMIRERS:—

In presenting this Catalog to the public I do so with much pleasure, as I know the cattle will be appreciated and it always is a pleasure to sell good cattle as when you sell good, useful stuff you make many good friends. There are many cows in this lot I would like to keep as they are the kind that are doing the breed so much good, but this is my business and I always like to help my brother breeder get some of the best to be had.

In offering the herd for sale recently bought from G. H. George Sons, of Monticello, Iowa, I feel it is giving the public a great opportunity, as this means over forty years of hard work, and skill, and money to do what he has done. Here is an opportunity to buy the best as it is one of the greatest herds I know of. Mr. George bought nothing but the best for years, and has always used good bulls. There are over twenty calves at foot, mostly by the Champion Selection and over twenty more cows bred to him.

Not in a life time do you have a better chance to buy a herd bull sired by one of the greatest bulls of the breed. There will be thirty imported cows and heifers mostly in calf to Old Country services and a good straight lot of stuff, well bred and backed up by the best bulls of the great herds abroad. Over forty calves sell with the cows sired by the great bulls of Great Britain, United States and Canada. This is a great opportunity to get herd headers, good breeding cows, or show stuff.

We extend a cordial invitation to every lover of the breed to be at Chicago on January 16th and 17th, to see the best lot of cattle for its number ever sold in one sale. They are not in high flesh as this sale was gotten up hurriedly, but so much the better for you.

Come and help yourself, they are yours at your own price.

Yours for success, SITYTON GROVE FARM.

## TERMS AND CONDITIONS OF SALE

---

All cows with calves at foot are proven breeders and no further guarantee will be given. All other females that have been bred are guaranteed breeders. Cows that are past four months this guarantee is enough. All bulls of a breeding age are guaranteed breeders, with proper care. If any animal should not measure up to this guarantee, it can be returned after a reasonable time to us, in good condition, and another animal of equal value will be sent to replace it, or, if that can not be done, money will be refunded. All animals will be at purchaser's risk as soon as bid off, but will be put on board of cars free of charge.

---

### Terms

Cash or a few months time will be given, with interest at 6% to responsible parties furnishing good bank references.

**Note—Selection**, I believe, is too well known in the Shorthorn world to take time and space in this book telling of what he has done. It would take a lot of space to tell all this bull has done, and he is doing his good work always, as he is proving a great sire. He was grand champion bull at 1909 International, Chicago, so that is an honor few bulls ever carry away. This bull will make a far better show this year than last. He is in fine form. He is up for your appraisal and is worth just what you will pay for him, but I believe he is cheap at any price.

**Avondale** is a bull known the world over as a show bull and as a sire of show stuff and champions. Few bulls have done more for the breed than Avondale, and his calves are much sought after wherever seen.

Imp. Mary Ann of Lancaster 43d—was bred by Mr. Reid, Cromley Bank, near Aberdeen, Scotland. Lancaster 16th was bought by Mr. Cruickshank at the Wilkinson sale in 1854. She was one of the first prize pair of cows at the Royal Northern in 1856, and for her daughter, the handsome Lancaster 25th, Mr. Barclay of Keavil, gave 150 guineas. She was in calf at the time and in April, 1862, gave birth to triplets—three heifers, two of which, Anne of Lancaster and Mary of Lancaster, won prizes at Kelso as yearlings. Mary of Lancaster subsequently became the dam of Imp. Baron Booth of Lancaster, the great show and breeding bull owned by J. H. Pickrell, that sired the first bull ever bred in Illinois to sell for \$3000.00.

**Muster Roll**—belongs to the famous Marr Missie family and has for dam one of the finest cows at Collynie.

**Morven**—was bred by Robert Bruce of Heatherwick and sprung from the renowned Mayflower family.

Will calve by sale day to service of Selection.
